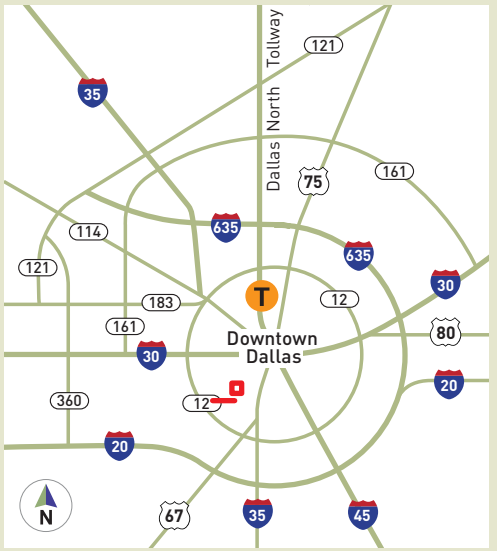
DALLAS



General trail location shown in **red** above.

Traversing various types of terrain, the 2.5-mile Kiestwood Trail connects with multiple neighborhoods, Kimball High School, and the 2.5 miles of trail that are located within Kiest Park to create one of the longest hard surface trails in southern Dallas.

This map is for informational purposes and only represents the approximate relative locations of the labeled features. This map was published in January 2014.
