The Lone Star Trail is an attractively-designed and constructed 3.2-mile trail that begins at Story Road/Hunter Ferrell, across from Running Bear Park, and ends at the City of Grand Prairie’s Lone Star Park entertainment complex, near Beltline/I-30, which contains the Verizon Theatre, a horse race track, and a minor league baseball stadium. Plans are currently underway to connect this trail with Irving’s Campion Trail which will then create a continuous ten-mile trail between the two cities.

General trail location shown in red above.
